The Best Toy Run Ever!

Please join us for one of the best boating events on the Texas Gulf Coast.

The Freeport to Port O'Connor Toy Run is one of those wonderful, heartfelt events that leave you with a lump in your throat and a warm glow in your heart. Help us help the less fortunate children of the Adopt-An-Angel program. We promise you will not regret it.

The Adopt-An-Angel program helps needy children all along the coastal bend region of the Texas Gulf Coast. These are children who otherwise would not have much of a Christmas without the help of the program. The Toy Run provides toys for the boys and girls which lets the Adopt-An-Angel program focus on providing warm winter clothes, shoes and food. The proceeds from our run helps kids in Port O'Connor, Seadrift, Port Lavaca and other locations throughout the area.

The Toy Run began 4 years ago as a means of helping children at Christmas while providing a fun event for boaters out of the Houston and upper coast region. We depart from Bridge Bait under the Surfside Beach Bridge at 10:00 am Saturday morning and take a 72 mile cruise down the ICW to Port O'Connor where we deliver the toys to the program volunteers. That evening we have a huge party and this year we'll have live music and other festivities.

Rain or Shine

This event is open to boats of all sizes. There is fuel available at Sargent and Matagorda along the way. Lunch stop is at Tuttle's Krusty Pelican at Sargent. Enjoy plenty of cold beverages and fine food.
